Stay with me

By Clement Albert Mutombo Kankonde

They are superficial  
They are just a fling  
They are just a distraction  
They are like fleas  
Who bite here  
And fly there

They are opportunists  
They are parasites  
They will suck your blood  
And when you're dry  
They will get rid of you

They are frivolous  
They are so trivial  
They will waste your time  
And when you want  
To settle down  
They will get away

So stay with me, now  
Yes stick with me  
Cause I am the one  
Who knows you well  
And will carry you through

So stay with me, now  
Stick with me  
Cause I am the one  
Who accepted your  
Shortcomings

They are a fun distraction  
They are not enough  
They are a waste of time  
They will never love you  
They won't marry and  
Appreciate you

They are empty inside  
They are frivolous  
They are not sound, you know  
They are the kind you like  
For an instant  
But you soon get bored

They are unstable  
They are gratuitous  
They will rob your heart  
And do with it as they please  
And throw it away

They are so flimsy  
They are just a flicker  
They will trick your heart  
And when you want to settle down  
They will just scam

Please stay with me, now  
So stick with me  
Cause I am the one  
Who knows you well  
And will carry you through

Just stay with me, now  
Please stick with me  
Cause I am the one  
Who accepted your  
Shortcomings

Please, la la Â...  
Please, la la la laÂ...

Cause I am the one  
Who knows you well  
And will carry you through

Just stay with me, now  
Please stick with me  
Cause I am the one  
Who accepted your  
Shortcomings

They are superficial  
They are just a fling  
They are just a distraction  
They are like fleas  
Who bite here  
And fly there

They are opportunists  
They are parasites  
They will suck your blood  
And when you're dry  
They will get rid of you

They are frivolous  
They are so trivial  
They will waste your time  
And when you want  
To settle down  
They will get away  
So stay with me, now  
Stick with me  
Cause I am the one  
Who accepted your  
Shortcomings

So stay with me, now  
Just stick with me  
Cause I am the one  
Who accepted your  
Shortcomings

Lalalalala ...  
Lalalalalala ....  
Lalalalala .....
