What Do You Wanna Do?

If I stay with you
It's because I love you
It's for the things you do to me
You drive me crazy

If I stick to you
It's not about money
It's not about comfort
Just drive me crazy

If you run to me
It's not about tradition
It's not about habit
It's about love

So now yeah, so now yeah,
What do you wanna do
So now yeah, so now yeah
What do you wanna do

Yes if I stick with you
It's because I love you
It's because you love me
You drive me crazy

If I stay with you
It's because you drive me crazy
It's not because of the money
Because I love you
I just love your smile
So now yeah, so now yeah
What do you wanna do,
So now yeah,
What do you wanna do

So please touch me
I love the way you do now
I love the way you pamper me
I love you because of my son
I love you so much

So now yeah, so now yeah,
What do you wanna do
So now yeah, so now yeah
What do you wanna do
