Wind of wisdom

By Clement Albert Mutombo Kankonde

Take me to the promised land
Ward me off from acts of witchery
Ward me off from evil spirits

Wind of wisdom
Protect me from a witch hunt
For this world can be cruel
Whisk me from this danger

Wind of wisdom
Pull me up from my fall
Cause I don't want to linger
In a silly depression

Wind of freedom
Reverse the course I am on
Take me to the promised land
I deserve a quiet lull

Wind of wisdom
Protect me from this lunacy
Creeping in my mind
Higgledy piggledy

Wind of wisdom
Take me away from here
Remove paraphernalia
Please clear my soul

Wind of wisdom
I keep running away from love
Give me the strength I need
Take me away to the truth

Wind of love
Bring me the true love
This intense feeling of deep affection
Teach to not miss this chance

Wind of wisdom
Take me to the promised land
Fly me where I ought to be
Take me to the sea of love

Chorus:

Wind
Take me
Take me away
Take me away to the land of the free

Hurry me
Hear me out
Whisk me out
Take me away to the land of love
Take me away to the land of love
Take me away to the land of love
Take me away to the land of the free
