You are the only one

By Clement Albert Mutombo Kankonde

You are the only one  
Who can soothe my soul  
Who can heal my wounds  
You are the only one  
Who can soothe my soul  
Who can heal my wounds  
You are the only one  
Who can stop this bleeding heart  
Who can stop this pain  
You are the only one  
Who can bring me true love  
Who can bring me peace of mind  
Who brings me solace now  
You are the only one  
Who can bring me solace  
Who can please my soul

Oh no, no, no

Just tell me you will call for me  
Just tell me you will need me  
Just tell me you will conquer me back  
Just tell me when I am there with you  
Just tell me you will reach for me  
Just tell me you will hold me  
Just tell me you will kiss me  
Just tell me you will talk to me  
Just tell me you will hear me out  
Just tell me you will keep me close  
Just tell me to come home

You are the only one  
Who can fulfill my needs  
Who can mend my mind  
You are the only one  
Who can reach my heart  
Who can tease my feelings  
You are the only one

Who can talk to my heart

Just tell me you will call for me  
Just tell me I will come to you  
Just tell me you will text me  
Just tell me you will send someone  
Just tell me you will send for me  
Just tell me when I am there with you  
Just tell me you will reach for me  
Just tell me you will hold me  
Just tell me tell me  
Just tell me it's all right now

Just tell me it's all right  
Just tell me it's all nice  
Just tell me it's all cool  
Just tell me it's all good  
Just tell me it's okay  
Just tell me I'm yours

You are the only one  
Who can fix my bleeding heart  
Twist me with excitement  
You are the only one  
Who can reach my inner sanctum  
Who can reach my inner sanctum  
Who can tease my feelings  
No no no no

Just tell me you will call for me  
Just tell me I will come to you  
Just tell me you will text me  
Just tell me you will send someone  
Just tell me you will send for me  
Just tell me when I am there  
Just tell me you will reach for  
Just tell me you will hold me  
Just tell me, tell me, tell me  
Just tell me it's all right  
Just tell me it's all nice  
Just tell me it's all cool  
Just tell me it's all good  
Just tell me it's okay  
Just tell me I'm yours

You are the only  
Who can fix my bleeding heart  
Who can dry my tears  
Who can reach and touch me  
You are the only one  
Who can reach and touch me

Where I ought to be touched  
No no no no Â...

Just tell me you will call for me  
Just tell me you will need me  
Just tell me you will conquer me back  
Just tell me when I am there with you  
Just tell me reach for me  
Just tell me you will hold me  
Just tell me you will kiss me  
Just tell me you will talk to me  
Just tell me you will hear me out  
Just tell me you will keep me close  
Just tell me to come home

Nananana Â....
