What rot.  
Speak up, child  
Can you not see  
This is maddening?  
Hello, muffin  
Hello, Lame One  
Hello, ornament  
What utter and complete rot.  
How much more  
Can be left unsaid?  
Surely, something must suffer  
All your dreams may come true  
And don't you doubt it  
The Earth is slowing now  
And your mind's crowded  
We're going to celebrate  
Just wait and see  
Your dreams just may come true  
If it's meant to be  
So, this is magic?  
Your great mystery  
I'm coming around now  
As an illiterate adult  
Hello, anything  
Hello, dirty money  
Rest assured,  
These lips are sealed  
How much more  
Can be left unsaid?  
Surely, something must suffer  
What botherâ€¦!
