Prima Donna  
dodged a call from  
the Investor  
Were you struck dumb?  
Were you, Prima Donna?

Now struck dumb  
the next call she-  
uh, picked up  
Aha, you're not so lucky?  
Are you, Prima Donna?

The Investor came through  
loud and clear  
She was dumb, not deaf  
Foul speech hit her ear  
The poor, Prima Donna

She's met this man before  
and seen how he eats  
He made no sense  
His voice throbbed endlessly  
to our Prima Donna

She phonetically  
built a sentence:  
"Will this affect my record?"  
"It might." the Investor menaced  
The Investor menaced

Tell me, what good  
could possibly come?  
He gives her the stage  
she deserves to perform on

And isn't it this stinking world  
that likes to see beauty suffer?  
Well, isn't it??  
Either way, too bad for her

And she went out that night

and blew the lid off the joint  
Like an investment  
that never disappoints  
The Prima Donna
