From this valley they say you are going  
We will miss your bright eyes and sweet smile  
For they say you are taking the sunshine  
Which has brightened our path for a while

Come and sit by my side if you love me  
Do not hasten to bid me adieu  
But remember the Red River Valley  
And the girl who has loved you so true

Won't you think of the valley that you're leaving  
Oh how lonely, and sad it will be?  
Oh think of the fond heart you are breaking  
And the grief you are causing to me

I have promised you darling that never  
Would word from my lips cause you pain  
And my life it will be lost forever  
If you'll only would love me again

Come and sit by my side if you love me  
Do not hasten to bid me adieu  
But remember the Red River Valley  
And the girl who has loved you so true
