Nothing is impossible  
A double-negative is a positive, is it not?  
A holy paradox  
A natural beauty  
I'm open and ready  
Word love-magic

The gale before the Gate  
Become the Will of Fate  
Wheel of Fortune  
Don't say that it's "uncouth"  
There is no "I" in "you"  
Wheel of Fortune

A four-day miracle  
from Iowa to Minneapolis  
began my transformation  
of body over mind  
Oh yes, nothing is impossible  
No door impassable  
The Ego debased  
now the Wheel is everyday

The gale before the Gate  
Become the Will of Fate  
Wheel of Fortune  
Don't say that it's "uncouth"  
There is no "I" in "you"  
Wheel of Fortune
