She used to fall down, down a lot  
I don't care cos she's all I've got  
It tears me up inside. What can I do  
So don't let me down. I did everything  
that a man could do. I can't stop  
myself from loving you. Forever.

But I'm so tired. I'm so wired  
I can't let you go. I'm feeling uneasy  
just please me. I can't let you go  
So take me by the hand. make me  
understand. maybe you're the only one  
who ever loved me. Maybe I have  
done. All I can.

You could say it's a waste of time  
I don't care when your eyes meet mine  
Nothing in the world. Could keep me  
from you. So don't let me down. I did  
everything that a man could do. I  
can't stop myself from loving you.  
Forever

But I'm so tired. I'm so wired  
I can't let you go. I'm feeling uneasy  
just please me. I can't let you go  
So take me by the hand. make me  
understand. maybe you're the only one  
who ever loved me. Maybe I have  
done. All I can. So take me by the hand.  
Make me understand. Maybe you're the only  
one who ever loved me. But you were very  
strange from the start.
