If I could do  
what I want to  
If I had you by my side  
Baby you could feel  
all my lovin'

If I showed you  
That I want you  
If I had the chance  
Baby you would fall  
For me too

All my life long  
I've waited for this moment  
Now that it's here  
I don't have the guts to say

I'm loving you...  
I'm loving you now

If you would know  
How I feel  
If you could guess what's on my mind  
Baby would you leave  
Or would you stay

And if I told you  
That I loved you  
If I gave my heart to you tonight  
Tell me would it matter  
I'm yours if you want me too

All my life long  
I've waited for my man  
Now that you're here  
I don't have the guts to say...

There's no words to say that I want  
you to stay  
That I'm longing for your touch  
Oh and how I pray you would be the  
first to say

That you love me, that you need me,  
that you wantin' me as much
