Ain't that nothin'  
Think you're doing something  
Seen it before  
Your kind at my door  
Twisting things I say  
But your evil ways  
Can do me no harm

Chorus:

I won't change my mind  
And I won't drink your wine  
Won't share your bed  
If you were the last man on earth  
I can't look at you  
Love nothing about you  
I won't change my mind  
If you were the last man on earth

I seen you coming  
But I wasn't running  
You got out of hand  
Thought you were my man  
I wasn't amused  
Not dazed and confused  
Ain't never had what I needed

Chorus:

I won't change my mind  
And I won't drink your wine  
Won't share your bed  
If you were the last man on earth  
I can't look at you  
Love nothing about you  
I won't change my mind  
If you were the last man on earth

Bridge:

I hear your voice and it drives me insane  
Your name comes up I get enraged

I would never ever be so desperate to do  
Anything that involves you

Chorus:

I won't change my mind  
And I won't drink your wine  
Won't share your bed  
If you were the last man on earth  
I can't look at you  
Love nothing about you  
I won't change my mind  
If you were the last man on earth
