Verse I:

Hey baby

Thought you were the one who tried to run away

Ooh baby

Wasn't I the one who made you want to stay

Please don't bet, that you'll ever escape me

Once I get my sights on you

Chorus:

Gotta licence to kill

And you know I'm going straight for your heart

(Gotta licence to kill)

Gotta licence to kill

Anyone who tries to tear us apart

(Gotta licence to kill)

Oooh licence to kill

Verse II:

Hey baby

I Think you need a friend to stand up by your side, yeah

Oooh baby

Now you can depend on me to keep things right

Please don't bet that you'll ever escape me

Once I get my sights on you

Chorus: 1X

Bridge:

Say that somebody tries to make a move on you

In the blink of an eye, I'll be there too

And they better know why, I'm gonna make em pay

Til their dying day, til their dying day, til their dying day

Oh

Chorus: Out
