You can make it if you want
All you gotta do is give it time
Don't you worry no, one day you'll get the chance
To show what you can do from what you can't

Moving in the right direction
Ain't nobody gonna take the blame for you

You gotta take a little time
Some patience fÃ¼r your piece of mind
It's up to you to make that choice

Caution to the one who's blind
Why can't you understand
Your life is in your hands
Times are getting harder
There's got to be another way

Moving in the right direction
Ain't nobody gonna take the blame for you

Movin', keep an movin' movin' on
Don't you let nobody try to bring you down
Oh no
