Knowing how much I love you
Is not as painful
As knowing Iâ€™ll never have you
Watching day by day
I canâ€™t seem to find
The right words to say

I imagine all the possibilities
To make you mine
My head goes round and round
It feels like Iâ€™ll lose my mind

And itâ€™s bittersweet
All my fantasies
That will never be while youâ€™re next to me
Oh, I canâ€™t believe

Can you read my mind?
Will you ever find my heart?
Shall I take you there?
Those are the questions
That make me scared

I dare myself sometimes
To tell you whatâ€™s on my mind
But I know once revealed
My fate will have been sealed

And itâ€™s bittersweet
All my fantasies
That will never be while youâ€™re next to me
Oh, I canâ€™t believe

Your sweet embrace is all I have
From time to time to comfort me
I know it canâ€™t, will never be
I close my eyes and try to dream
I try to dream
Try to dream
Try to dream

And itâ€™s bittersweet

All my fantasies
That will never be while you're next to me
Oh, I can't believe
