I live in darkness with no eyes to see  
Lying alone as she talks to me  
Iâ€™ve seen too many winters roll by  
Too many tears that have run dry

I must follow her wherever she goes  
Sheâ€™s dragging me behind her  
Every day I am here  
She cannot escape me

And Iâ€™ve dreamed your dreams  
And Iâ€™ve screamed your screams  
Why donâ€™t you notice me?  
Notice me

We move together as one  
Footsteps entwined by the sun  
Vanishing with the dark night  
To reappear with the morning light

And Iâ€™ve dreamed your dreams  
And Iâ€™ve screamed your screams  
Why donâ€™t you notice me?  
Notice me

She hears the music inside her head  
Sings songs of all her love and sadness  
Trapped â– canâ€™t break through the madness  
In her heart is her passion

And Iâ€™ve dreamed your dreams  
And Iâ€™ve screamed your screams  
Why donâ€™t you notice me?  
Notice me

I keep her secrets, she speaks aloud  
She always feels alone in a crowd  
Her mind full of fear, her mind full of doubt  
Only to her first love she is bound

Vanishing with the dark night...
