please give me orders tell me what to do. i'm just waiting for orders from you. gee, how will i know what to do with my life. if you don't tell me i'll never get to say, i don't have to. i don't have to. i'm not going to. i'm not going to. i don't have to, so i'm going to take your world and trash it, trash it. please give me orders tell me what to do. i'm just waiting for orders from you. i need guidance, give me some rules, so i can be like all the other fools. i don't have to. i don't have to. i'm not going to, i'm not going to i don't have to so i'm going to...take your world and trash it, trash it, trash it, trash it.
