#### OFFICIAL TERRORISM

it's been a while since they shot him down. these guys  
with guns they get around. they save their fucking  
monument to murder. it's a circus tent. then memphis  
guns they had their day, blowing lots of blacks away.  
the blacks they tortured one of theirs. it's seven to one  
and no one cares. i wanna see a tribe of indians. armed  
and angry indians. i wanna see a thousand angry  
punks. unite with filthy gutter drunks. why not even up  
the score. if we don't they'll just kill some more. i love  
norm. you should too. but i'm not gonna tell you what to  
do. i'll just laugh while you bitch about your problems,  
but don't bitch at us just because we know the truth.
