i don't have any idea where it went. i left it in my pocket
with my rent. it isn't just because i'll never see it again,
but that it wasn't where it should have been back then. i
can't find my piece of paper. i should have been more
careful with my piece of paper. it isn't very often that
this happens to me. this is very important, fellas, can't
you see? it's hard to get people to understand. it's not
the kind of thing that's in demand. i can't find my piece
of paper. i should have been more careful with my
piece of paper...
