I can see you're very glad to hear about the raid some of the cops were happy to give a lot more than they are paid but what about the copter crash that took off piggy's head?

We celebrated all weekend now we're glad that he is dead.

It wasn't the first time and it sure won't be the last psychic prayer is functional and the piggies are dying fast.

And what about that plane crash two hundred and fifty army scum, came home in pieces for christmas cheer while i sipped my egg nog and rum. no one will ever have proof of the precious deeds that i achieve.

Nobody can logically argue against the things that i believe just a trifle of positive thinking, a healthy dose of lsd (the pathway to success) the following day i'll be watching the news and giggle while others grieve.

December the fourth was the day that they led me away in chains they woulda locked up the policewoman if the judge had had any brains.

Eight months pregnant, she sat on the stand and grunted, &quothe; shouldn't be running loose."

There's gotta be something really wrong here when pigs are allowed to reproduce.

No one will ever have proof of the precious deeds that i achieve .

Nobody can logically argue against the things that i believe just a trifle of positive thinking, a healthy dose of lsd the following day i'll be watching the news and giggle when others grieve.

So anyone foolish or callous enough to wear a uniform so proud of the terror it represents, will be sorry that they were born.

If they really believe that the usa should roam and rule the world, their families can wipe the sperm from their dead upper lips with the american flag unfurled.

No one will ever have proof of the precious deeds that i achieve.

Nobody can logically argue against the things that i believe just a trifle of positive thinking, a healthy dose of lsd the following day i'll be watching the news and giggle while others grieve.

It wasn't the first time and it sure won't be the last  
psychic prayer is functional and the piggies are dying  
fast it won't be the first time and it sure won't be the  
last...
