Say that I'm not built that way,
And I'm not going to stay.
This place I've been so long.
And say that I'm not going down,
And last night doesn't count,
And I won't leave you now.

Say don't feel wrong,
And no, don't feel wrong.

And say that I'm born this way,
And I won't end this way.
Your heart I long for so,
And say that I'm not going down,
And last night doesn't count,
And I'm one of your own.

Say don't feel wrong,
And no, don't feel wrong.
Say don't feel wrong,
And no, wait, that's wrong.
