do you know me anymore?
am i still the same young boy?
i don't believe
i won't ever
maybe you've made a mistake
i've been deceived
they're so clever
maybe you've made a mistake
somebody make a mistake
no-one will know, so

don't you breathe a word of this
eyes closed, i perform
set me apart
with lepers, rocks and caves afar
don't look at my face
i don't ever
want to be looked at again
i'm such a disgrace
i don't ever
want you to touch me again
nobody touch me again
cause nobody cares, so

we don't breathe a word of this
eyes closed, i perform
don't you leak a word of this
eyes closed, i perform
and don't worry, i will perform
and don't worry, i will perform...

we are not one and the same
selfish of me
when i show you
somebody take all the blame
your father to take all the blame
his father to know, so
we don't breathe a word of this
eyes closed, i perform

don't you leak a word of this
eyes closed, i perform

and don't worry, i will perform
and don't worry, i will perform
and don't worry, i will perform
and don't worry, i will perform
and don't worry, i will perform
and don't worry, i will...
