Sunderland you're part of me
This is my hometown
Follow you from shore to sea
Never let me down

No distance is too great for me
Motorways up and down
Where you are is where I'll be
Been to every town

Chorus :

Don't you know we're Sunderland
We are Sunderland
Can't you see we're Sunderland
And we say come on our men

In far off lands we hear the cry
We are Sunderland
In Santa Cruz and Paraguay
Dance to marching bands

Munich or Valencia
Listen to the fans
Nein nein mein Herr, si si signor
We are Sunderland

Chorus

Red and white across the sea
In France and Portugal
Euro dreams reality
Only time will tell

Chorus
