Sunderland my love  
I love this football club  
I'll stand out in the rain  
Oblivious to pain

I've seen you win, I've seen you lose  
You've even driven me to booze  
I dream of running down the wing  
And score as the supporters sing

Sunderland my love  
I love this football club  
I'll stand out in the rain  
Oblivious to pain

My car's been painted red and white  
I call my home the House of Light  
I'd even sell my wedding ring  
As long as the supporters sing

Sunderland my love  
I love this football club  
I'll stand out in the rain  
Oblivious to pain

I'd love to win the FA Cup  
And with the team I'd climb on up  
Those steps to stand before the Queen  
And wave as our supporters sing

Sunderland my love  
I love this football club  
I'll stand out in the wind and rain  
Oblivious to any pain
