You drive along the road
straight to Donauwoerth
suddenly you're turning left
and you are there
it's only a small village
but for someone it's the world
a world I wanna live in
until I die ...
Chorus: Hamlar, Hamlar
Time stands still
Love and peace th
at's all what I feel
You're going in
you smell the smoke
see long-haired people in hippie-clothes
Some are dancing, some laying on the couch
you hear good music
and it's dark and loud ...
Chorus
Guit. solo
Sex and drugs and rock'n'roll
flower power - is that all ?
Hendrix and Choplin and Morrison - they are dead
and it's only been a dream when you go to bed
Chorus
Guit. solo
Hendrix and Choplin and Morrison - they are dead
and it's only been a dream - when you go to bed
