I was out with a girl last night
and I felt the time was right
I gave my heart to her
but she started talkin'
all about the shit that I'm
so sick of hearing
Oh yeah, I'm so sick of hearing (lies)
O yeah
You're really cute
but I don't want a boyfriend
I like you but we're from separate worlds
in the end I'll end up gettin' hurt
I like to spend my time with you
but I got so much work to do
Oh yeah, I'm so sick of hearing (lies)
O yeah
I'm sure you'll find
another girl if you try
don't take it personally
it's got nothing to do with you
let's stay good friends
and I'll call you
but I ...
know ...
you won't ...
Guit. solo
Break
So why don't you say
"I don't love you" - that's all
no reason, no excuse, no sweet clap-trap
talkin' clear is not as painful as hearing lies
was nice meeting you
an' I'll try it again ...
