When the night is coming
people meet in the bar
they are chatting and drinking
and they feel like stars
When I look at the lady
with the beautiful eyes
I feel so attracted to her
I'm on cloud nine

Chorus:

Turn my night in ... Turn my night into day
and please don't walk ... Don't walk away
I think it's time that I asked you
what you're doing tonite
thinking all of the things we could do
just the thought is nice
The two of us in my apartment
laying side by side
and we're gonna work together
and we'll work very hard

Chorus

Guit. / Drum solo

Riff

Guit./ Drum solo

Notes:

The lyrics's a fairly straight one ... about one-night-stands.

Pichi's guitar solo adds a particular Latin flavour to the song

Simply enjoy ...
