You made a dream
Then you gave it to me
A dream that I know
Only God could have dreamed
Tell me what it means
Was it just a dream
You made a dream
Then you gave it to me
A dream that I know
Only God could have dreamed
You never sleep
Yet you dream dreams
You made a dream
Then you gave it to me
A dream that I know
Only God could have dreamed
You made a dream
Then you gave it to me
A dream that I know
Only God could have dreamed
A dream that I know

Only God could have dreamed
