"The Happy Song"

Visit "[The Happy Song](#)" on MotoLyrics.com

I could sing unending songs
Of how you saved my soul
I could dance a thousand miles
Because of your great love

My heart is bursting Lord
To tell of all you've done
Of how you changed my life
And wiped away the past
I want to shout it out
From every rooftop sing
For now I know that
God is for me not against me

Everybody's dancing now
'Cause we're so happy
Everybody's singing now
'Cause we're so happy

If only we could see your face
See you smiling over us
Unseen angels celebrate
For the joy is in this place
