youre just like plastacine  
being moulded into a libertine dreamer  
i feel so sorry for you  
if you were 13 i'd let you off  
but youre not and you should know better  
gather my thoughts on a note pad  
and a parker pen and i wright you a letter  
but theres not enough paper in the world  
theres not enough paper in the world  
have you heard all ur friends go  
da de da da de daao  
all the words they seam to know  
all the words in youre song go  
da de da de daao  
youre ok jacky buy youve got no spine  
please vacate this city of mine  
i only wish you had this song to back up youre
