You can scrutinize my actions  
You can break me into fractions  
You can walk away  
You can polarize my friends  
Destroy the letters that I send  
Or you can run away

You can terrorize my neighbors  
With your Mr. Hyde behavior  
You can drink away  
You can exorcise your demons  
Bite and scratch and kick and scream  
You can act away

And if you ever open your eyes  
You won't find me standing in line

You can cauterize my feelings  
With your flaming tongue leave me reeling  
You can talk away  
You can compromise my passion  
Call me fake and call me fashion  
You can write away

You can rationalize a purchase  
With my money and say it's worth it  
You can tear me up or tie me down  
And kick me on the ground

And if you ever open your eyes  
You won't find me standing in line  
Caroline, it's a waste of time  
Caroline

Don't you want me to come back, Caroline?  
Don't you want me to fly back, Caroline?

You can scrutinize my actions  
You can break me into fractions  
you can walk away  
You can idolize your drum machine  
Say the Beatles suck and dis the King

And walk away

You can finalize the ending  
Break the rules that you've been bending  
You can find a brand new lover  
Run away and then discover  
You can't outrun your actions  
You can't get no satisfaction

And if you ever open your eyes  
You won't find me standing in line  
Caroline, it's a waste of time  
Caroline, it's a waste of time  
Caroline, it's a waste of time  
Caroline
