Sherrie don't come 'round here,
don't come 'round here
no more

Sherrie don't come 'round here,
don't come 'round here
no more

Hooked up with a bad man at a good time

Said she ran into a door

Left her by a thread on a life line

And that's the reason why she

don't come 'round here no
more

Huey don't come 'round here,
don't come 'round here
no more

Huey don't come 'round here,
don't come 'round here
no more

Heard he had a drink with some old friends

Turned into three then four

Kept on going straight around that
old bend

That's the reason why he don't
come 'round here no more

It's just a mix up it's not your
time

Do you want a second try?

It's just prediction then fate collides

Not sure if I'm surprised

John don't come round here,
don't come 'round here no
more

John he don't come round here,
don't come 'round here no
more

Checked in a casino with a girlfriend

Did a line then did some more

Thought his heart could keep up like a young man

That's the reason why he don't
come 'round here no more
