she burns his evil heart with her evil eye
she gets her wicked way with her wicked smile
she takes him by the hand and leads him to the door
it's not what he came here for
he takes her to the gate and he says goodbye
he walks the streets alone and he wonders why
he takes her by the hand and leads her to the floor
it's not what she came here for it's not what she's
looking for
goodbye she wonders why
she says what did i do what can i do
i don't know what to say i just don't want to say
goodbye
it makes her cry
he says it's got nothing to do to do with you
why she wonders why
she says i'll leave you alone i'll leave you alone
try they give it one more try
she's on the floor he's out the door
OUT OF SIGHT, OUT OF MIND
lyrics -- Greg Joseph
you grew up in a sheltered world where money meant a
lot
your mother was a faker your parents always fought
the values they meant more before when i look at your
place
your hair it cost a hundred dollars and there's shit all
over your face
out of sight out of mind
too much money too much time
□out of sight out of mind
too much money too much time
the stories that we used to tell of how we'd beg and
borrow
i hear your son is screaming pop would you buy me a
car tomorrow
they sued the principal today for putting sister in her
place
but all she sees is a reflection and the razors in her
face
□out of sight out of mind
too much money too much time

out of sight out of mind
too much money too much there's too much time
your father thought he sheltered you and kept you
from temptation
now you watch a lot of tv and you tell him that you hate
him
out of sight out of mind
too much money too much time
□out of sight out of mind
too much money too much time
out of sight out of mind
too much money too much time
□out of sight out of mind
too much money too much time
out of sight out of mind
