I'm never gonna smile  
I'm never stay for a while  
I'm never gonna laugh  
You might as well just cut me in half  
Just wanna run, just wanna live till I'm done  
Just wanna be

As happy as I gonna be  
And there nothing on the inside  
I'm not high on life  
I'm not drunk on love  
I'm broken down not feeling right

I'm happy as I'm gonna be  
When there's nothing on the inside  
I'm not high on life  
I'm not drunk on love  
Not feeling right

I'm never gonna fight  
I think I need to make up my mind  
I'm never gonna stand  
Next to you I'll do what I can  
Just wanna run, just wanna lie in the sun  
Just wanna feel

As happy as I gonna be  
And there nothing on the inside  
I'm not high on life  
I'm not drunk on love  
I'm broken down not feeling right

I'm happy as I'm gonna be  
And there's nothing on the inside  
I'm not high on life  
I'm not drunk on love  
Not feeling right

I'm never gonna write  
Lay with you or whisper goodnight  
I'm never gonna call  
That way I'll have nothing at all

Just wanna run, just wanna live till I'm done  
Just wanna be

As happy as I'm gonna be  
And there nothing on the inside  
I'm not high on life  
I'm not drunk on love  
I'm broken down not feeling right

I'm happy as I'm gonna be  
When there's nothing on the inside  
I'm not high on life  
I'm not drunk on love  
I'm broken down, not feeling right

I'm happy as I'm gonna be  
And there's nothing on the inside  
I'm not high on life  
I'm not drunk on love  
Not feeling right
