Well, hey, now listen you've been on my mind
I think about you too much of the time
I hear you calling but I don't know when
My arms are open and my hair is thin

And if I can't have you
If I can't have you
I'm gonna find someone new
Well, let me find someone new

I'll buy you flowers and I'll mow the lawn
I'll even go shopping out with your mom
Your phone machine knows me more than you
If you think about me, now how 'bout a clue

And if I can't have you
If I can't have you
Well, I'm gonna find someone new
Well, let me find someone new

When I can't get a hold of you
I'm just gonna find someone new

Someone to spend their precious time with me
(Precious time)
Some one who will, share some laughs and stay with
me
Won't be too proud to wait for me

If I can't have you
If I can't have you
If I can't have you
If I can't have you
Well, I'm gonna find someone new
Well, I'm gonna find someone new

I'm gonna find someone new
It's gonna be ant easy to find someone now
If I can't have you
If I can't have you
If I can't have you

I'm gonna find
I'm gonna find me somebody new
I'll find someone new
I'll find someone new
