I didn't think you had it in you
To up and move away
All the dreams we shared baby
Well, I hope you like L.A.

I was writing in my book of regrets
How it seems like yesterday
It's kind of funny how that so many things
Rhyme with gone away

I saw the sun when I hit the ground
Took a look in the lost and found
Lost my friends but I found myself okay

It wouldn't do us any good
For me to try to make you stay
It's kind of funny how that so many things
Time has washed away

I saw the sun when I hit the ground
Took a look in the lost and found
Lost my friends but I found myself okay
