I met a girl that I dreamed about for years
Dreamed I'd have no fears, a place to stay
Believe me when I say she had some plans for me
But all the plans she had for me will never be

One day in my life
One day in my life
One day I won't be coming home to you
One day in my life

She had some things for sure that she would want of
me
And all the things she wants of me can never be
And as for me I never ask more than I need
But one day, I will ask to be free

One day in my life
One day in my life
One day I won't be coming home to you
One day in my life

She reminds me of the things I couldn't be
Or if I could, it just would not be me
Don't get me wrong, it's part of life, it's just a game
They call it Kooties, maybe Twister, roll away
Please, please, where did he go? Why did he leave?

She said, "Sometimes I'm just a little hard to please
If you see me on the corner I am free
One foot on the bus and off the trampoline"

One day in my life
One day in my life
One day I won't be coming home to you

One day in my life
One day in my life
