Sin and salvation walk hand in hand  
Right past the jury to the promised land  
And IÃƒfÂŸâ, ÑÂ™ ve been in prison baby most of my  
days  
Must be these reckless ways

God and creation roll side by side  
They wave to the jury and the gates open wide  
And IÃƒfÂŸâ, ÑÂ™ ve been hard and ancient like  
dinosaur bones  
Hiding under these stones

Restless days  
Feel like IÃƒfÂŸâ, ÑÂ™ m falling away  
Restless nights  
When youÃƒfÂŸâ, ÑÂ™ re holding me tight  
Restless world  
I thank God for my girl  
Restless days

My salvation runs hot and cold  
I plead to the jury I know I borrowed I know I stole  
And IÃƒfÂŸâ, ÑÂ™ ve been trying your honor in so many  
ways  
Must be these restless  
I guess itÃƒfÂŸâ, ÑÂ™ s these restless  
I know itÃƒfÂŸâ, ÑÂ™ s these restless days  
Restless days
