I just read your letter That bled from your pen Lest I forget $I\tilde{A}f\hat{A}$ ¢â, $\neg\hat{A}^{\text{TM}}$ ve been let go

 $I\tilde{A}f\hat{A}\hat{a}$, $\neg\hat{A}^{\text{TM}}$ m a long gone player In this theatre of the absurd We sang the score and kept the sour notes

It was a kick in the shins To drag me through it again You ripped a fault line into my soul and skin

If you get this message I figured it out You locked the door but won $\tilde{A}f\hat{A}$ ¢ \hat{a} , $\neg \hat{A}^{\text{TM}}$ t let it close Just tossed your letter In a ball on the floor Next to the pissed in cat box on the dirty oak

It was a kick in the shins To drag me through it again You ripped a fault line into my soul and skin

It was a kick in the shins To drag me through it again You twist heel in the ground To push me further down You ripped a fault line into my soul and skin
