I come from down in the valley
Where mister when you're young
They bring you up to do, Like your daddy done
Me and Mary we met in high school,
She was just seventeen
We'd drive out of this valley
Down to where the fields were green

We'd go down to the river
and into the river we'd dive
Oh down to the river we'd ride

Then I got Mary Pregnant and man that was all she
wrote
And for my nineteenth birthday I got a union card and a
wedding coat
We went down to the courthouse and the judge put it all
to rest
No wedding day smiles no walk down the aisle
No flowers no wedding dress

We'd go down to the river
and into the river we'd dive
Oh down to the river we'd ride

I got a job working construction for the Johnstown
Company
But lately there ain't been much work on account of the
economy
Now all those things that seemed so important
Well they just vanished in the air
And I act like I don't remember, Mary acts like she don't
care
And I remember us riding in my brother's car
Her body tan and wet down by the reservoir
At night on them banks I'd lie awake
And pull her close to feel each breath she'd take
Those memories come back to haunt me, well they
haunt me like a curse
Is a dream a lie if it don't come true
Or is it something worse

And We'd go down to the river
and into the river we'd dive
Oh down to the river we'd ride
Down to the river my baby and I
Oh down to the river we'd ride
Yeah Yeah Yeah the river we'd ride
