It was never your face on the pictures I never had  
There was never your place or mine, words I never said  
Did he leave you hanging?  
Did you make a real big scene?

I was never your lover and IÃfÃ¢â,¬Â™ m not your  
trampoline

It was never your name on the postcards I never send  
It was never our lives in a song that I never penned  
Did you say IÃfÃ¢â,¬Â™ ll show him  
Who gets caught in between?

I was never your lover and IÃfÃ¢â,¬Â™ m not your  
trampoline  
Never your lover and IÃfÃ¢â,¬Â™ m not your  
trampoline

You never place a call to a number you never had  
ThereÃfÃ¢â,¬Â™ ll never be a time we can say split it  
all in half  
Did he bring you down?  
Did he make you scream?

I was never your lover and IÃfÃ¢â,¬Â™ m not your  
trampoline  
Never your lover and IÃfÃ¢â,¬Â™ m not your  
trampoline  
Oh, IÃfÃ¢â,¬Â™ m never your lover and IÃfÃ¢â,¬Â™ m  
not your trampoline
