

Contingency Plan

"Chemical Burn"

Visit "[Chemical Burn](#)" on MotoLyrics.com

Burn me alive
From the inside out
Your all I have
Don't let me down
Clutching my chest
Just tear it out
Useless to me...

Found faced down sprawled out across your floor
Drink your poison, but you'll have to pour your own
Hold your breath, won't care that I don't know
When you never come back home!

Burn me alive
From the inside out
Your all I have
Don't let me down
Clutching my chest
Just tear it out
Useless to me...

Spark my heart, take a breath and numb the pain
Into the tracks, listen, waiting for the train
Can you hear me now? My screams echo in your brain
Count the stars before they fade!

Burn me alive
From the inside out
Your all I have
Don't let me down
Clutching my chest
Just tear it out
Useless to me...Now...

Hold me, I'm Bleeding...
Kiss me, I'm Lying ... in your arms

Hold me, I'm Bleeding...
Kiss me, I'm Dieing ... in your arms

Burn me alive

From the inside out
Your all I have
Don't let me down
Clutching my chest
Just tear it out
Useless to me...

Burn me alive
From the inside out
Your all I have
Don't let me down
Clutching my chest
Just tear it out
Useless to me...Now...
