Duet with Alison Krauss
Bed of hay, Earthen floor
Strangers walk through the door
I wanted much more for You
Look at Him, can't you tell
All is fine, all is well
And the Word of the angel was true
He's part of you and He's part of me
He's part of heaven
He's part of you and He's part of me
He's part of heaven
By my side everyday
Underfoot and in my way
Give me wisdom, I pray, O Lord
He is ours for awhile
Every tear and every smile
Till He's everyone's Child to adore
