I will crush my skull, when I feel like doing it  
I will break my bones, when I feel like doing it

I will cut my veins, when I feel like doing it  
I will shred my skin, when I feel like doing it

Yeah!

Self destruct  
Self destruct  
I will smash my teeth, when I feel like doing it  
I will slash my face, when I feel like doing it

Yeah!

Self destruct  
Self destruct

But I never... x 4

But I never will touch you  
But I never... x 2
