If you need a friend,
don't look to a stranger,
You know in the end
I'll always be there.

And when you're in doubt,
and when you're in danger,
Take a look all around,
and I'll promise to be there.

I'm sorry, but I'm been thinking of the right words to
say
I know they don't come the way I planned them to be.
But if we took a walk around, I'll make you fall for me,
I'll promise you, I'll promise you I will.

When your day is through,
and so is your temper,
You know what to do,
Just call and I'll be there.

Sometimes when I shout,
It's not what's intended.
These words just come out,
with no gripe to bear.

I'm sorry, but I'm been thinking of the right words to
say
I know they don't come the way I plan them to be.
But if we took a walk around, I'd make you fall for me,
I'll promise you, I'll promise you I will.

I'm sorry, but I'm been thinking of the right words to
say
I know they don't come the way I planned them to be.
But if I had to walk the world, I'd make you fall for me,
I promise, I promise you I will. Yes I will.
