(Gilby Clarke / Jonathan Daniel)
Lost in time no time in space
Never thought we'd ever fade
This ain't the blues
This ain't nothin' new
Are we fallin' off again
Someone pushed us from the ledge
No crime no sin
We just don't fit in
Let's get lost
Lost in Space
Just two people a little out of place
Nothing's wrong
Everything's fine
Just lost in time
Woke up in a lost and found
Don't understand the here and now
This ain't my world
Glad you're in my world
Let's get lost
Lost in space
Just two people a little out of place
Nothing's wrong
Everything's fine
Just lost in time
Sorry it don't get better
Let's burn all the bridges we cross
Sorry it don't get better
Let's burn all the people we know
This ain't the blues
This ain't nothing new
Let's get lost
This ain't the blues
Let's get Lost
This ain't the blues
Let's get lost
This ain't the blues
Let's get lost
Let's get lost
Let's get lost
Let's get lost
Let's get lost

Lets get lost
lets get lost
Lets get lost
Lets get lost
This ain't the blues
