Where You Can Hear The Music:

Blood and Tears

You know me all too well, it seems  
You've solved the labyrinth of my mind  
Simply defied me like a child  
Misguided me like I was blind

It is my fault I let you in  
Although it seems like you're to blame  
I was too weak to take control  
And so I hang my head in shame

A thirst for which you cannot quench  
A needle filled with blood and tears  
An hour when your get your way  
Means a lifetime of my fears

Let me turn my back for you  
So you can stab me with these lies  
Promise doesn't mean that much  
Until it causes my demise

So take the blade I'm wielding  
Strike down what you have made  
Scythe me until I'm ruined  
Bury what you've betrayed

I once was blind, but now its clear  
I once was deaf, but now can hear  
A screaming hate, this battle cry  
Stay with me until I die

It was not right, but now it's clear  
I will be the one you fear
