Feed me, feed me, with unscrupulous hate,
take possession of my mind

Don't stop treating me don't stop telling me
what's good or bad
don't give me the chance to be someone

The day will come, I'll do everything for you
The day will come, I'll do it all for your pleasure

Ready to follow you, I'll be there
ready to follow you, but stay with me.
Please don't leave me alone,
I can't be without your control
Take possession of my mind, do with me, what you
want
You can treat me, you can use me, but let me be
someone

I'm nothing without you, I can't live on my own
impossible to be without you, why have you never given
me,
given me a purpose, given me a purpose

The day will come, I'll do everything for you
The day will come, I'll do anything you want
from me
ready to follow you, I'll be there
Ready to follow you, but stay with me, don't leave me
alone
I can't be without your control,
take possession of my mind, take possession of my
mind
