

## Monday Morning "Amazed"

You're the one who turns my head  
You're my god and to myself I'm dead  
You're the one by which I'm lead  
You're the one

You're the one who loves me more  
Than I could see or ever ask for  
You're the one that I adore  
You're the one

By You I'm amazed  
By You I'm dazed  
By You I'm crazed  
By You I'm saved  
By You

You came, You led a sinless life  
You suffered on the cross to take away all mine  
For me alone You would have given your life  
You're the one

By You I'm amazed  
By You I'm dazed  
By You I'm crazed  
By You I'm saved  
By You

I'm so amazed by You  
Are You amazed, are You?
