Ahhhh!

I used to be cool  
Like Cabalone  
Now I'm not so cool  
Now startin to sweat ah  
I used to be cool  
Now I feel like fresh now  
Now I'm not so cool  
Well I'm a tension head

Another tension  
Another tension head  
Another tension  
Another tension head

I used to be cool  
Now I'm running a nightclub  
Now I'm not so cool  
Now I crap on everything  
I used to be cool  
Now someone dropped it  
Now I'm not so cool  
Now

Another tension  
Another tension head  
Another tension  
Erection

Another tension  
Another tension head

Whoa, whoa, whoa, whoa, whoa, whoa, whoa  
Whoa, whoa, whoa, whoa, whoa, whoa, whoa

T-t-t-head
