How can you say there is no way my God is real
Believing in the lies, you try to rationalize what you fell
When the earth, the seas, the sky, the trees, the birds,
the bees all made by He
My lord of all
Hallelujah (4x)
When the trumpets sound the dead will rise
We'll be called up in the skies to see heavens gates
standing tall
But when you hear Him call your name, will you be able
to proclaim
In my Lord of all
Hallelujah (5x)
All hail the power of Jesus name let angels prostrate
fall
Bring forth the royal diadem and crown Him Lord of all
He died for you he died for me
All you have to do is just believe
In my Lord of all
